10:00 AM — 2:00 PM

To celebrate the 20th year of operation, Memphis Performance is hosting its first open house. This event is open to all friends, customers, and those curious for a peek inside the operations of BTE / Memphis Performance.

The event will feature the following:

- Tours of the Memphis Performance Mail Order warehouse and distribution center
- Tours and demonstrations in the BTE manufacturing facility
- Technical seminars from specialists and technicians on transmissions, torque converters, and other racing parts
- Free lunch, courtesy of the world famous Corky's Bar-B-Q of Memphis, TN
- Clearance sale on a wide array of inventory items, from engine parts, tires, transmission parts, and fiberglass body parts
- Factory representatives from other product lines such as MSD, Holley, Edelbrock, and Comp Cams
- Thousands of dollars in prize give aways, including a new racing p/g transmission and torque converter for those registered and in attendance

Admission is FREE, but attendees must register online at www.bteracing.com or by phone by calling 1-800-626-1828.
